Description

This is truly a miracle from our lady, the Blessed Virgin Mary.

11 years ago, during the recitation of the holy rosary, the figure of Mary holding baby Jesus, formed while candle was melting. This is a one of a kind relic of the Blessed Virgin Mary. A relic that was touched and hand crafted by Mary Herself. It wasn't easy to put this gift for sale even for the listed price. It is priceless.

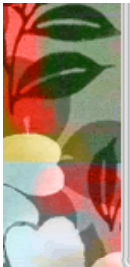

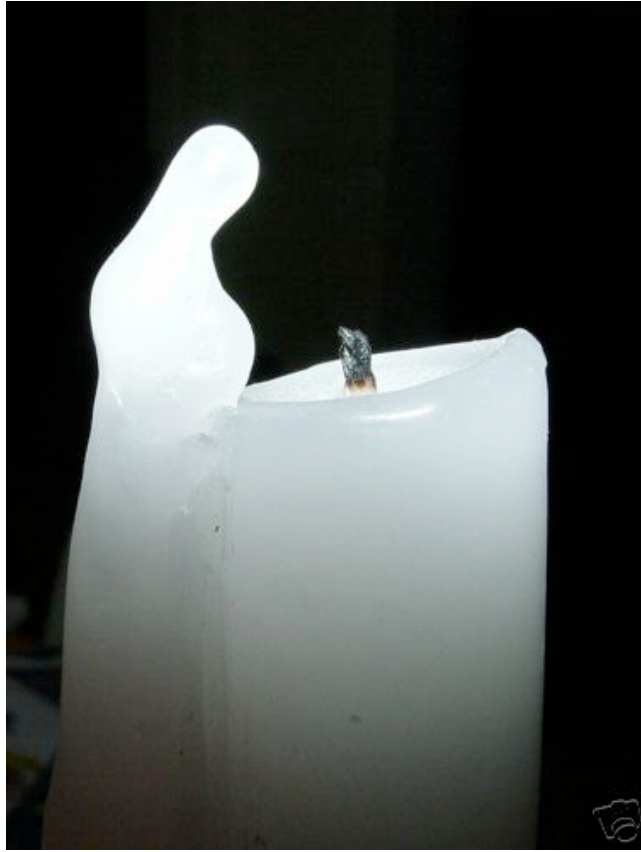

The figure of Mary is about 2 inches tall and it appears that She is holding baby Jesus. You can even see the outline of Her mantle around Her face and outline of Her hand. Also on the bottom of the candle, there appears to be a figure of a serpent. I superimposed the picture of our Lady of Fatima, over the candle and to my amazement they match perfectly. This candle is great for a private chapel or for public display and is truly made by Mary.

If this candle does sell, it cannot be shipped for obvious reasons. Local pickup only. Most of the proceeds will be donated to charity.
